---

It has come to the notice of the Government that BROs for CASP Schemes were not issued during the Financial Year 2017-18 due to last minute receipt of central share from GoI. To facilitate early release of BROs for CASP schemes from the budget 2018-19, all the departments are requested to review all such cases wherever central share was received but BROs were not issued both for central as well as matching State share. Cases requiring re-validations / additional funds may also be submitted in the same proposal. BROs for CASP schemes for which central share was received on or before 31st March, 2018 will be released by 15-04-2018.
